RUER INCRETERA-Left Castries Bay, Amoor River, on the should have feft San Francisco more than a week 12th of Nov; fourth day out put into Imporatoski (a small port in the Gulf of Tartary) for more ballast and sailed on the Ifth) experienced strong gales from west to southwest down the Gulf, passed Hakadadi on the EM, where several Rossian war receiv were at anchor, and came through the Tsugar Honolulu, Jan. 1, 1872. Straits the same day; from thence until nearing the blands succentered a succession of fresh gales from W to SW; was R. WHITMAN. becalmed several days within a short distance to the north of Osting eighted the land on the 25d ult and arrived on the and from thence was under charter to touch at this port on route for the Guano Islands to load for Europe.

> Zealand had moderate southerly and westerly winds; enter-ed Cook's Straits the 11th dayout with the wind rather fresh
>
> ### Special attention paid to CARRIAGE TRIMMING and
> TRUNK WORK. at first which increased to a gale and larted eight hours; had modernts winds still from the same quarter until passing To the Editor of the Journal of Counteres:
>
> Six-Would you be kind enough to insert in your diety Idands; sighted Tabiti Nor 5th and sea becalined in Government for the daty—that is, whether the owner trades set in and continued tight during the remainder of pera. co. on the flet alt and stritted in port at Fa. m. The Peter

Europe, having been chartered bence at Melbourne. Rang R. W. Woon-Leff this port Nov 24; had fresh trades

friendship which existed between that monarch and hereby, authorized, upon production of satisfactory and on the Est a boose spring up from the south, handle et to lay-to under short sail: the wind then hauled suddenly to the westward and continued backing into the south untithe 20th, then got a fair start for port and arrived at 4 pm on

VESSERS TO ARRIVE.-British back Garstang left Newcastle, England, Sept 7th for this port, consigned to W L Green; sh ic. At the present juncture the wires are crowded | Treasury Department, or while in transportation | ship Nicoya left London Sept 7th for this part, consigned to messages, and serious delays are expected in | under bond from the port of entry to any other port | J T Waterhouse; she is 117 days out and may be expected daily. Hawaiian burk Kamel left Bremen Sept 20 for this port, consigned to H Hackfeld & Ce; she is 104 days out, the some number of days in which she made the passage last ye from London. German tack Malvina left Bromen O Marker, Dec. 11.—The election for the Cortes any warehouse bond or bonds, or enter satisfaction Barkentine Prec Tradition Paget Scand, sailed for this per Allen. Bril brig Robert Cowan left Victoria about the middle

of Dec for this port, consigned to Theo H Davies; since her last trip she has been re-coulded and re-coppered, in addition to receiving other extensive repairs. The American mission ary packet Morning Star is due this month from Micronesi The back Comet will probably be the first yourd from San port, and with favorthle winds ought to make her appearance out the 10th test, so her trips seldom occupy t Berry-two days. THE NEXT STRANGE-It is probable that the Colorado, on

muxt trip to this port in place of the Moses Taylor. If each is the case, she will make the passage inside of eight days The Colorado was to have been dispatched last trip owing to the Moses Taylor being under repairs at the usual date of sailing, but the delay to the mail and passenger trains allof her completion in time to make the trip. To-day is the data of leaving San Francisco, and the Moses Taylor will not

THE bark Atalanta after being discharged, will be hove down for repairs. In the mean time, the carpenterware busy at work recapiting her upper works. She will also receive new forquast, in place of the one spring on the passage to this port. After her regular are completed she will proceed to Sydney in bullast to lead for San Francisco, a charter to

Two back D C Murray sails to-day for Sen Francisco, sfxtythree days from the time she left here last trip. The bark IL the same day the latter sailed for this port. The Wood had nnusually simagreeable weather both trips but has made a better passage down than either of the war vessels.

Dox here Francisco is sharing the same fate that many other caten bulks have met with in this harbor-she is being backen up. She was built in Machias, Maine, about portion of her timbers are nearly as solid as when she was unched. During the last few years she has been engage in the codfishing business out of San Francisco. She left that or in May last found on a fishing craise, and having spi leak put in here in distress.

The new Atlantic steamship Egypt, the largest ressel affeat except the Great Eastern, arrived at New York recently on her first trip from Liverpool. Her dimensions are 450 feet 6 inches length over all, 44 feet beam, 56 feet depth of hold. 5,664 tons gross monurement and 2,659 tons register. The sugines are on the compound principle, 500 horse-power nominal, but can be worked up to 3,000. They are supplied with square inch. The high and low pressure cylinders are respecroke of piston. She has four decks, the upper one b Each spur-deck frames with steel plates and covered with pine planks. She has accommodations for 126 soloon and 1,500 steerings passengers. The Egypt may be the largest you with me exception, but her gross measurement is not equal to that of one of the Pacific Mail Company's China Stoamer with a China cargo, the gross measurement of which was reperted at the time to be over 6,000 tons,

The British steamship Holland recently arrived at Calcutt thirty-three days from Liverpool (including two days and five hours in passing through the Suez Canaly which is said to be the quickest time ever made between the two ports,

DIED.
